## APGO Has a New CEO

On behalf of Council, I am pleased to introduce Mr. Louis Kan as the new CEO at APGO. Louis is a professional accountant by training (C.P.A., C.A., C.F.E.), and joins APGO following a distinguished career with the Ontario Provincial government, CPA Ontario, and as a private consultant. While with the Ontario government, Louis held management and Director positions with the

Auditor General's office, Elections Ontario and the Office of the Legislative Assembly. Later, he spent 10 years with the Office of the Registrar at CPA, and during that time was part of a core group that lead and managed the successful unification of the various groups of accountants in existence at the time (CA, CGA, CMA) into one professional regulatory organization (CPA Ontario, with over 87,000 members).

Council is excited to have Louis on board and we look forward to working with him as APGO continues to implement our legislative mandate and strategic plan.
