

Job Title: Project Manager

Opportunity

Aquanty is looking for a Hydrologic Modelling Project Manager to join our growing team in Waterloo, ON. The ideal candidate will be technically competent and comfortable in a customer-facing role, with a background in hydrogeology/hydrology and project management. Experience managing numerical modelling projects will be considered an asset.

About Aquanty

Aquanty Inc., is a research spin-off company from the University of Waterloo specializing in computer simulations of how water moves through the natural environment. Our best-in-class simulation platform, [HydroGeoSphere](#), is used in a number of industries including; agriculture, oil and gas, mining, watershed management, contaminant remediation, and nuclear storage and disposal to support water related decision making. Check out our [Case Studies](#) to see examples.

Location: Waterloo, ON, Canada

Education:

- BSc/Masters/PhD degree hydrology/hydrogeology or related field
- Business courses will be considered an asset

Experience Range: 3 – 5 years' experience

Position Description

The successful applicant will work as part of Aquanty's Project Management Team and depending on experience may also support the mentoring and coaching of junior project managers, and the implementation of best practices. The successful applicant will manage exiting projects at Aquanty and be expected to develop their own projects. This position reports to the Director of Research Services.

Desired Skill Set:

- Excellent communication capabilities, both written and inter-personal
- Project management and team lead experience
- Business development experience
- Experience constructing numerical models for hydrogeology/hydrology applications
- Experience with HydroGeoSphere/FEFLOW/MODFLOW would be considered an asset

Typical Daily Activities

- Interact with technical teams to ensure projects are progressing on schedule and on budget
- Meet with customers and clients to provide updates on projects and to develop new opportunities
- Track project budgets and schedules, prepare monthly invoices
- Report and proposal writing

Statement of Commitment

Aquanty's is an equal opportunity employer that does not unlawfully discriminate against any employee or applicant on the basis of race, ancestry, place of origin, colour, ethnic origin, citizenship, religion, gender identity, gender expression, creed, sex, sexual orientation, age, record of offences, marital status, family status or disability. Aquanty is committed to a fair and inclusive work environment. We will endeavor to accommodate the needs of qualified applicants in all parts of the hiring process. Please contact Human Resources.
